**ROSS VALLEY SANITARY DISTRICT  
FY 2016/17 Gravity Sewer Improvements Project—Nokomis & Meadowcroft**

**REVISION NO. 2 TO CONSTRUCTION NOTICE ISSUED: NOV 6, 2018**

Dear Property Owner and/or Resident:

In November and December 2018 Maggiora & Ghilotti, Inc. will be working on critical sewer improvements along Sir Francis Drake Boulevard. In coordination with the District and the Town of San Anselmo, the work was separated into phases to perform the most urgent construction first and to reduce public inconvenience during the planned repairs. Please note that the work involves unforeseen, emergency repairs which must be addressed prior to significant wet-weather in order to reduce the risk of overflows. We regret that we were unable to include this schedule in the prior construction notice and apologize for any inconvenience this may cause.

The phases include Phase 1—Work below the sidewalk between Sierra Ave. and Ash Ave., Phase 2—Work below the sidewalk between Ash Ave. and Mountain View Ave. and Phase 3—Work in the intersection of Sir Francis Drake Blvd. at Broadmoor Ave. This is to provide notification for Phase 1 of the planned construction. Phase 1 construction will include replacement of the sidewalk and valley gutter and curb ramp on Ash Ave. Dependent on dry weather, work for Phase 2 and 3 will be scheduled shortly after Phase 1 repairs are completed. Notification for Phase 2 and 3 repairs will be provided at least five days in advance of the work.

**LOCATION & SCHEDULE:**

**Phase 1:** Pipeline below the south sidewalk on Sir Francis Drake Blvd. approximately between Sierra Avenue and Ash Avenue.

**Commencing Monday, November 12, 2018 through Tuesday, November 20, 2018**

Work hours will be **Monday to Friday** from **9:30 AM to 5:30 P.M.** This schedule is subject to change, and you will be notified if changes are necessary. Work will not occur over the Thanksgiving Holiday from 11/21 through 11/25.

**TRAFFIC CONTROL:**

During the work period, Ash Ave. and the southbound, curbside lane of Sir Francis Drake Blvd. will be closed to through traffic between 9:30 A.M. and 5:30 P.M. The south sidewalk from Sierra Ave. through the Ash Ave. intersection will also be closed to pedestrians between 9:30 A.M. and 5:30 P.M.

**Please note that car access to and from Ash Ave. will be closed Monday through Friday, Nov. 12, 2018—Tue. Nov. 20, 2018 from 9:30 A.M. to 5:30 P.M.** Please consider parking outside of the work area if you will need to use your car during the day. Pedestrian access to and from Ash Ave. will be provided. Please follow the pedestrian detour which will be marked with signage and traffic delineators.

Please note that emergency vehicles will be afforded access, so if you have an emergency, please **dial 911**. We thank you for your patience while we complete all work as quickly as safely possible. Should you have any questions or concerns, please contact the following project personnel:
