

24 HOUR NOTICE OF NIGHT WORK

RVSD – FY 2019/20 FORCE MAIN APPURTENANCE PROJECT BON AIR CENTER – AIR VALVE REPLACEMENT

Trinet Construction, Inc. is under contract with the Ross Valley Sanitary District to complete work on the FY 2019/20 Force Main Appurtenance Project. During construction, all crew members and personnel will adhere to the most up to date health and safety guidelines related to COVID-19 pandemic. All crew members will be wearing gloves and masks at all times. This is for the protection of both the public and our crew members.

Project Timeline - May 2020 through September 2020

Construction will be taking place at the back parking lot entryway behind the Bank of America. Due to the nature of the work there may be periods of time between each phase of work. We anticipate a total of 20 to complete the work at this location which is scheduled to begin on May 18th. 2020.

WORK HOURS

5 PM - 6 AM - Wednesday 6/3 to Tuesday 6/9

IMPACTS

Please expect noise from heavy construction activities which may impact residents near Bon Air Shopping Center. Trinet will do its utmost to perform the noisiest work before 10 PM.

Traffic may be impacted as a result of lane closures necessary to perform the work. During Phase One, exit access will be maintained for cars that need to exit the rear lot. During Phase Two, the rear entry way to the rear lot will be turned into a single lane with a flagman directing two way traffic through the area.

Access to all buildings and facilities will be maintained at all times. Please observe parking and traffic signage.
