

CONSTRUCTION UPDATE

DATE: August 18, 2020

PROJECT: FY 2019/20 Force Main Appurtenance Project

OWNER: Ross Valley Sanitary District

CONTRACTOR: Trinet Construction Inc.

WORK: S Eliseo Drive – 20” Sewer Valve Replacement

This notice provides an updated schedule for sewer construction in your neighborhood.

Trinet Construction, Inc. is scheduled to complete rehabilitation work on the underground sewage system in the Bon Air Hill neighborhood. This includes replacing a critical 20” plug valve. The worksite will be located in the shoreline access area at the end of S. Eliseo Drive, just west of the bollards. Travel along the bike path and shoreline access (except at the work site) will remain open to the public while the work takes place.

All crew members and personnel will adhere to the most up to date health and safety guidelines relating to the COVID-19 pandemic during construction. Workers will always be wearing gloves and masks to enhance the protection of both the public and our crew members.

PROJECT TIMELINE:

August 31 to September 9, 2020: Potholing & Excavation (8:00 AM – 5:00PM)

September 10 to September 23, 2020: Valve Replacement & Pipe Work. This will be mostly day work (8:00 AM to 5:00 PM) but will include two nights of night work (10:00 PM to 6:00 AM).

September 24 to October 2, 2020: Backfill, Install Cathode Protection, Grade Site & Cleanup (8:00 AM to 5:00 PM).

CONSTRUCTION IMPACTS:

Please expect some noise from heavy construction activities during work hours which may impact residents adjacent to the work site. For the two anticipated nights of night work, Trinet will make every effort to minimize heavy noise generating activities. Access will always be maintained to all buildings and facilities in the area. Work at the site will not have a major impact on traffic along S Eliseo Drive.

For further information please contact:

James Leyden, Superintendent
Trinet Construction, Inc.
3934 Geary Blvd
San Francisco, CA 94118
Office # (415) 695-7814
